Mailing Services

Postage can be one of the most costly components of a mailing campaign. Learning all the ins and outs of the rules and regulations of the postal service can be so confusing, many people simply put a first-class stamp on an envelope and mail it.

MLI's mailing professionals can save you tremendous amounts of time and money. Our state-of-the-art presorting and CASS certification processes deliver an end result that receives the lowest postal rate possible. Our address certification and correction programs ensure that your mail will get to the intended recipient the first time, saving time and money on returned mail and manual database corrections.

MLI's state-of-the-art mailing center, located in our 40,000 square foot fulfillment operation offers:

- ◆ 1st and 3rd class (bulk presort standard) mailings
- ◆ International mailing
- ◆ Inkjetting (specialized)
- ◆ Barcoding
- ◆ Inserting
- ◆ Tabbing
- ◆ Bagging and poly wrapping
- ◆ Kitting and warehousing
- ◆ List purchasing
- ◆ Postage accounting
- ◆ Personalized printing
- ◆ List hygiene and data management
- ◆ National Change of Address (NCOA) services

Why waste money on postage, when you could Mail with Intent?
